"Session" - derived from the Latin, *sessio*, meaning "seated" or "sitting" refers primarily to King Jesus' shepherdly oversight of His Church, the Body of Christ, from where he is "seated" today at the right hand of God the Father. Secondly and derivatively, in the local congregation, it refers to the exercise of this oversight through men called, equipped and led by His Spirit, and recognized by the congregation by the work of the same Spirit, for the accomplish-ment of His Mission and the display of His Glory in and through the congregation.
